*First Presbyterian Church, Wausau, is a family of believers, called by God, taught by Christ and guided by the Holy Spirit. We are committed to continuing Christ's ministry within our congregation, community and world.*

## **Thoughts from Reverend Rachel**

I have been journeying with you now for a little over six months. During this time I have sought to discover your identity – both as a congregation and as individuals. In the same way, you have been learning about me and who I am – besides pastor, I am cat lover, vegetarian, geo-cacher, flute player, bell ringer, photographer, etc.

One of the most basic and foundational parts of our identity is our name. Names are incredibly important. Often they are descriptive or historical – Johnson, “son of John” or Baker, “one who bakes.” Or names link us to our family – my middle name “Annette” was the middle name of my paternal grandmother; or they define a new status – such as taking on the last name of a spouse. And names are personal. We feel an indescribable closeness to our name.

Because of this, we often feel embarrassed if we forget someone's name. Additionally we dislike having to ask a person's name if we believe that “we should know it by now.” As I have been learning all your names, if I see someone I don't yet know, I will sometimes turn to someone and ask if they know their name. People feel uncomfortable admitting they don't know.

What has become a handy tool for me is the church photo directory. I carry one with me regularly, and if I hear about or meet someone new, I will check the directory to help reinforce the association between a name and a face. However, the current directory is out of date. People change, children grow, new people come, some folks have died. A lot can happen in five years.

Later this month we will be updating our photo directory. We are asking for 100% participation. You don't have to be an official member of the church. If you come regularly and consider First Pres to be your community of faith, we want to include you. There is no cost to you, and in fact, when you come in for a sitting, you will receive a free 8X10 photo and a complimentary directory when they are published.

The identity of a congregation is comprised of multiple factors including the names and faces of its people. A photo directory is a simple tool that helps us get to know who we are. But we need everyone's participation to make it complete.

### *Introducing our new Logo and Website*

*The logo show hands of many colors, raised up—in praise and willingness to help; to volunteer...*

Several months ago, a team of members set out to re-establish a meaningful logo and Web site that would reflect our church personality. We hired a local creative agency, Adrenalign, who assisted us with this process. We are happy to announce that the new Web site and logo will be rolling out this month! Many of you might be wondering:

#### **Why are we doing this?**

The project started because of a desire to upgrade our current Web site to a more modern, user-friendly format. As part of the discovery process for the new Web site, we identified a need to update our look and logo. We wanted to establish a quick, emotional connection with people who are unfamiliar with First Presbyterian, Wausau. We wanted a logo that reflected our action-oriented culture of caring volunteers.

#### **What is the symbolism of our new logo?**

The logo shows hands of many colors, raised up – in praise and willingness to help; to volunteer. The colors help to grab attention, especially when used on external ads or signs in our community. They also represent our acceptance of all people – regardless of color, status, age, gender, income, etc.

The wheat represents our desire to feed people – both spiritually and literally. Our feeding ministries are a unifying thread of our congregation; but in addition to food, we can also offer people a church that feeds their soul.

Anchoring the logo is the cross, a symbol of atonement and a reminder of God's love in sacrificing his own son for humanity. The cross represents Jesus' victory over sin and death.

**Watch for the new look**, which will be spreading across all of our communications in the near future! We would love to hear your feedback. Also, we are happy to make any content updates or additions to the new Web site. Please don't hesitate to reach out.

### AED Class

If there was a cardiac emergency at church, would you know how to use the AED to try to save someone's life? Sunday, April 26, following worship, there will be a short training session for those interested in learning what to do when someone's heart has stopped beating. There is no cost. Come and learn.

### Storm Water Run-Off Referendum

Some church members have expressed concern regarding the potential change in garbage collection and storm water run-off fees in the city of Wausau. The church contracts with a private trash collection service at the cost of \$85 per month. The church will not be

affected by the proposed change in collection fees.

If the storm water referendum passes, the cost to the church will be between \$750 and \$1125 per year. This would be the first time non-profit organizations are required to pay this fee.

Remember you can always give your monthly pledge through **Electronic Funds Transfer (EFT)**. Just like many of you pay your bills on-line, you can have your pledge paid the same way once a month. Please contact Kathy in the church office if you would like more information on this easy way to pay!

Come hear them in concert in our wonderful sanctuary!

Dear FPC Family,

In the wake of Mark's untimely death, Eric and I extend our deepest gratitude and appreciation for the overwhelming outpouring of your presence, prayers, gifts to Mark's memorial, support and love. We are tremendously comforted knowing that there are so many of you in our lives who will help us walk our journey through grief. There are still no words to adequately describe how thankful and blessed we are. May God continue blessing you as well. Peace and love.

*Marilyn and Eric Paulson.*

*Even though I walk through the valley of the shadow of death, I will fear no evil for you are with me...and I will dwell in the house of the Lord forever.*
